“Coatesville Looking East”
Jake Crippin, Waynetown, IN

An aerial photograph of a small town, Coatesville, Indiana, taken from a high angle looking west towards the setting sun. The town is centered around a main street that runs vertically through the image. On the left side of the street, there are several commercial buildings, including a red brick building with a sign that says "Supermarket". To the right of the street, there are more commercial buildings, including a large white building with a flat roof. In the background, there are large silos and a tall antenna tower. The town is surrounded by green fields and trees. The sun is low on the horizon, creating a warm, golden glow over the entire scene. A large red ribbon with the word "2nd" in a white circle is overlaid in the top left corner.
